

Greetings!

Welcome to our August newsletter! We love keeping you connected to what's happening in our practice. Summer may be winding down, but there's still plenty of energy and excitement here and this issue is packed with info. Last month we dropped a little teaser about something new on the horizon... well, the wait is over! We're thrilled to share the full reveal of something we've been eagerly preparing that will make a real difference for our patients. We're so grateful for your trust and support, and we can't wait for you to see what's ahead!

Join Us for Our 2nd Annual 5K Obstacle Course Race!

Mark your calendars! On Saturday, September 6th from 6:30–9:00 AM, we're excited to host our 2nd Annual 5K Obstacle Course Race for **all fitness and age levels** at Okeehelie Park. This year's race will benefit Sojourners with Healing Hearts, a local non-profit dedicated to providing emotional and practical support to women facing breast cancer. Their mission is to ensure that no woman walks through her breast cancer journey alone by offering resources and support throughout treatment and recovery.

By joining us, you'll not only enjoy a morning of fitness and fun, but you'll also be helping to make a difference in the lives of women and families right here.

STAFF SPOTLIGHT

If you've ever had a smooth, stress-free experience with your insurance claims at Advanced Surgical Physicians, you have Elena to thank!

Elena has been part of the ASP family since 2009. As our Billing Manager, she works diligently behind the scenes to ensure that all claims are processed quickly, accurately, and efficiently helping both patients and providers navigate complex world of medical billing with ease. What makes Elena truly special is her deep dedication to both detail and care. Her thoroughness, reliability, and calm presence make her an irreplaceable part of our practice.

Fun facts: She's a coffee lover and loves to travel. You can always find her planning her next adventure.

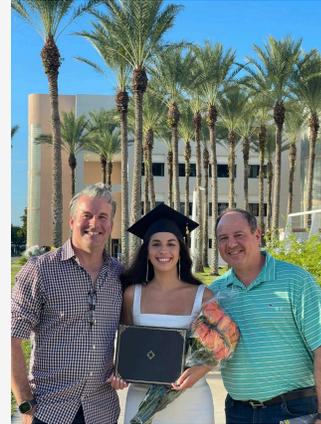

Tattoos and Skin Cancer

We're proud to share that Dr. Andrew Shapiro was featured in a recent Sun-Sentinel article discussing "Can tattoos hide signs of skin cancer?"

Dr. Shapiro emphasized the importance of regularly examining tattooed skin for suspicious changes, especially in sun-exposed areas. Tattoos can make it more difficult to detect early signs of skin cancer making sun protection and skin checks essential.

We're thrilled to see Dr. Shapiro's expertise recognized and even more proud to have him looking out for our community's health.

Congrats to Amanda

MA to Surgical Tech

We are thrilled to shine a spotlight on one of our very own, who has achieved a major professional milestone. After she has officially graduated from her Surgical Technician program. Her journey reflects the heart of our team culture: hard work, compassion, growth, and excellence. She has been a constant presence in our practice supporting patients, assisting providers, and bringing kindness and professionalism to every encounter. Dr. Shapiro and Dr. Eldredge were there to cheer her on celebrating this achievement with the same pride and joy as family would. Her next chapter begins in the OR.

Please join us in congratulating her on this incredible accomplishment!
