## LIABILITY INSURANCE FORM

Due to the current medical malpractice crisis, your physician does not carry medical malpractice insurance.

Under Florida law, physicians are generally required to carry medical malpractice insurance or otherwise demonstrate financial responsibility to cover potential claims for medical malpractice.

YOUR DOCTOR HAS DECIDED NOT TO CARRY MEDICAL MALPRACTICE INSURANCE.

This is permitted under Florida law subject to certain conditions. Florida law imposes penalties against noninsured physicians who fail to satisfy adverse judgments arising from claims of medical malpractice. This notice is provided pursuant to Florida law.
