

# **14** Month Questionnaire

YES

13 months 0 days through 14 months 30 days

NOT YET

On the following pages are questions about activities babies may do. Your baby may have already done some of the activities described here, and there may be some your baby has not begun doing yet. For each item, please fill in the circle that indicates whether your baby is doing the activity regularly, sometimes, or not yet.

Im	portant Points to Remember:	Notes:
ন	Try each activity with your baby before marking a response.	
ন্	Make completing this questionnaire a game that is fun for you and your baby.	
র্থ	Make sure your baby is rested and fed.	
Q	Please return this questionnaire by	

At this age, many toddlers may not be cooperative when asked to do things. You may need to try the following activities with your baby more than one time. If possible, try the activities when your baby is cooperative. If your baby can do the activity but refuses, mark "yes" for the item.

# COMMUNICATION

- Does your baby say three words, such as "Mama," "Dada," and "Baba"? (A "word" is a sound or sounds your baby says consistently to mean someone or something.)
- 2. When your baby wants something, does she tell you by *pointing* to it?
- 3. Does your baby shake his head when he means "no" or "yes"?
- 4. Does your baby point to, pat, or try to pick up pictures in a book?
- Does your baby say four or more words in addition to "Mama" and "Dada"?
- 6. When you ask her to, does your baby go into another room to find a familiar toy or object? (You might ask, "Where is your ball?" or say, "Bring me your coat," or "Go get your blanket.")
