NIPT COVERAGE: QUESTIONS TO ASK YOUR INSURANCE PROVIDER

- You will need to provide the CPT (medical billing code) for the NIPT which is: **81420**
- You may be asked to provide a diagnosis code which is: **Z36.9**
- The following question will help determine your insurance plans coverage for the NIPT:
 - What is my out-of-pocket cost?
 - Will the cost be applied to my deductible?
 - Will the cost be applied to my co-insurance?
 - Does this test code require a prior authorization? *
 - Does this test code require a pre-certification? *
- If a prior authorization and/or pre-certification is required, the request process can take up to 14 business days to complete. It is recommended that specimen collection be done after the prior authorization and/or pre-certification request is approved.
- An approved prior authorization is not guarantee of payment.
