Janet K. Gersten, M.D., F.A.C.O.G.

**ACKNOWLEDGEMENT OF CANCELLATION/NO-SHOW POLICY**

A \$50 fee will be charged or billed to any patient who misses an appointment (no-show), cancels an appointment with fewer than 24 hours of notice, or reschedules an appointment with fewer than 24 hours of notice.

For example, a patient with an appointment at 9:00am on a Tuesday will be charged \$50 if our office staff is not notified by 9:00am on Monday. Because our office is closed on Fridays, anyone who needs to cancel or reschedule an appointment at 9:00am on Monday needs to notify our office staff by 9:00am on Thursday.

Please understand that this policy is in place due to the recent high number of no-shows or last-minute cancellations. We ask that patients recognize that when an appointment is missed, it takes away an opportunity for someone else who is in need of an appointment to receive medical care. Please do your best to notify us in a timely manner when an appointment needs to be rescheduled or cancelled.

Signing this document acknowledges the above statement and is required of all patients of New Age Women's Health, LLC. This policy is new as of July 27th, 2021.
