Notice to All Patients

Your health plan has specific regulations you must follow in order for you to avoid liability from full payment on service rendered by our physicians.

Referrals: We participate with many health plans. It is your responsibility as a patient to provide us with an updated referral on the day of you scheduled appointment. Our office cannot be held responsible for obtaining referrals. If we do not have a referral on file on the date of your scheduled appointment, we will reschedule you for a later date. To avoid this problem, we suggest you contact your primary care physician in advance.

Payment Policy:
Please be prepared to present your insurance card and Identification card at every visit to ensure that our doctor actively participates with your insurance carrier. Be aware of your insurance policy benefits and limitations. Make sure your insurance is current and active before your arrival. If we cannot verify coverage or there are services rendered that are not covered by your policy, it is your responsibility to pay in full at the time of the visit. All insurance co-payments and deductibles must be paid the time of service. We accept cash, Visa, MasterCard, Discover, and personal checks.

Patients may receive and are responsible for bills for services sent to another facility such as laboratory or diagnostic center which may not be covered by your insurance. Patients will be responsible for any bills of unpaid services including services that may have been denied or non-covered by your insurance carrier. Patients will be responsible for paying claims where either the practice or the insurance plan failed to receive accurate patient information. Statements will be mailed for unpaid services. Balances must be paid in 30 days. If a balance is due over 90 days and we have not been contacted to arrange payments, the account may be turned over to a collection agency. Please notify us if you are experiencing financial difficulty and we will work with you on developing a payment plan.

Non-Cancellation Policy: Please be courteous and call us if you cannot make your scheduled appointment 24 hours in advance. This allows us to see other patients who may be in need of our services.

Forms: There is a $20 fee to resubmit school forms.

Test Results: Pediatric Center of Excellence may require a follow-up visit to review and discuss any diagnostic testing or pathology results.

Finally, this is your information plan. Please familiarize yourself with every rule of the health plan you are enrolled in. Your insurance company will mail a summary of charges, payments, denials, or requests for your further information. Please review all insurance correspondence.

Please sign and return to the front desk after reading. If you have any questions, feel free to speak to one our office personnel.

I have read and understand the above information.
