

Thank you for choosing OBGYN By the SEA!

The doctors would like you to know a couple things.

- We will call you with all results whether they are good or bad. In efforts to get your results to you as soon as possible, Please leave us a phone number where we can leave you a detailed message with your results.*
- If you prefer that we do not leave your results on your voicemail, we will call the number below and leave a message for you to call the office back.*

Name: _____ Date: _____

Phone Number: _____

Ok to leave detailed message on voicemail

Do not leave a detailed message

- If you haven't heard from the office within two weeks regarding your results please give the office a call.*
- When calling for results or medical questions, please leave a message on the doctor's medical assistant line as we are seeing patients until 3pm. We will return your call within 24 hours.*

Look forward to seeing you today!
